This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of a request filed by Harrison Transportation, LLC (“Applicant”) to reinstate the Applicant’s Class C Certificate of Public Convenience and Necessity No. 8154-A issued to the Applicant pursuant to Commission Order No. 2009-381, dated June 17, 2009.

On March 15, 2010, a Petition for a Rule to Show Cause was filed by the South Carolina Office of Regulatory Staff (“ORS”) as to why the Certificates of Public Convenience and Necessity of certain carriers should not be revoked for failure to pay decal fees and thereby failing to comply with the statutes governing operations of Motor

Vehicle Carriers in South Carolina. The record reflects that the Applicant was a respondent to the Rule to Show Cause for non-payment of decal fees.

For those motor carriers who had not responded to the prior notifications of noncompliance, a formal hearing regarding this matter was held on May 3, 2010. The Commission found that the Certificates of Public Convenience and Necessity held by certain carriers, including the Applicant, should be revoked and cancelled for the violation of failing to pay the required decal fees. Accordingly, the Commission issued Order No. 2010-351, dated May 18, 2010, which cancelled the Applicant's Certificate No. 8154-A.

By application received November 3, 2010, the Applicant requests that the Certificate in question be reinstated. The original Application for certification of the Applicant on file with the Commission provides documentation regarding the Applicant's stated knowledge of and commitment to abide by all relevant statutes and Commission regulations.

The Commission has reviewed the case before it and after due consideration, the Commission concludes that the above-mentioned Certificate should be reinstated, subject to compliance with payment of decal fees, all applicable statutes and the Commission's other Rules and Regulations, and that prior to such compliance and certification, regulated motor carrier services shall not be provided by the Applicant.

IT IS THEREFORE ORDERED:

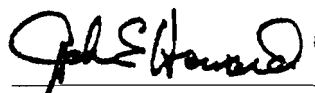

1. That Class C Certificate of Public Convenience and Necessity No. 8154-A of Harrison Transportation, LLC be, and hereby is, reinstated, subject to compliance with payment of decal fees, applicable statutes, and all the Commission's other Rules and Regulations.

2. That all operating rights authorized under the Certificate are hereby reinstated, subject to compliance with the applicable statutes and the Commission's Rules and Regulations.

3. That prior to compliance with the applicable statutes and the Commission's Rules and Regulations, the motor carrier services authorized by the Certificate shall not be provided.

4. This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

John E. Howard, Chairman
